

About Us

S4 was established in 1996, as a service oriented company that offers superior turnkey solutions through product and service excellence.

Our comprehensive experience gained both locally and abroad, allows us to provide cost-effective solutions uniquely tailored to our clients' needs.

The MiR is a safe, cost-effective mobile robot that quickly automates your internal transportation and logistics. The robot optimizes workflows, freeing staff resources so you can increase productivity and reduce costs.

The collaborative robot with universal benefits that can change the way your business operates.
